Corporate Hospitality with a Difference...

HORSHAM LANE, EWHURST, SURREY GU6 7SW
+44 (0) 1483 272 828

One of the countries best known & most beautiful Polo Clubs...

Hurtwood Park can offer an unforgettable experience in the form of Polo. Even for people who already ride, a Polo experience is really stepping outside the zone as far as a personal challenge is concerned.

Dealing with an equine athlete and overcoming your own personal fears is rewarding enough but add to that, working as a team to achieve success is even more rewarding and fulfilling. Galloping at thirty five miles an hour and hitting a small ball from the back of a horse through the goals at each end of a three hundred yard long ground is the ultimate adrenaline rush. There is no steering wheel, no brake pedal and no on off switch. Just a relationship between you and your horse.

We believe that there can be few better character building challenges.

So if Polo is still much of a mystery to you, why not be bold enough to enjoy one of our tailor made 'Discover Polo' Days...

Corporate Hospitality Polo Experience...

Set within sight of the Hurtwood Hills of Surrey, this graceful centre of hospitality offers superb restaurant and bar facilities. The ambience of the clubhouse, together with the growing interest in the game of polo offers a perfect setting for entertaining.
